Bring Balance to the Body, Mind and Spirit with Consciousness Based Medicine

Module One: Saturday /Sunday; Sept. 10/11, from 9 a.m. to 6 p.m.

- Learn powerful treatment techniques that address a wide variety of diseases
- Clear the body of viruses, infections, food allergies and environmental toxins
- Release emotional traumas, phobias and fears

Module Two: Saturday/Sunday; Sept. 17/18; from 9 to 6 p.m.

- Cleanse the lymphatic system and treat energy blockages
- Balance energy systems, including acupuncture meridians and the chakras
- Improve brain function and circulation of nerves within specific areas of the body

Approved for CEU's
Acupuncture, Social
Workers, Massage

*This course is designed for health care professionals, acupuncturists, dentists, massage therapists, physical and psychotherapists, and practitioners who wants to expand their skills and improve clinical results dramatically!
Module 1 is a pre-requisite for Module 2, and both are pre-requisites for Advanced BodyTalk coursework.*
